Stamp Set:

Country Bouquet

Ink:

Sweet Sorbet Stampin' Pad

Supplies/Accessories:

Country Bouquet Punch

Framed Florets Dies

Pastel Adhesive-Backed Sequins

Linen Thread

Stampin' Dimensionals

Mini Glue Dots

Instructions:

1. Fold Sweet Sorbet 5-1/2" x 8-1/2" cardstock to card size of 5-1/2" x 4-1/4" .
2. Attach the Petal Pink 5-1/4" x 4" card stock to card front.
3. Using the oval with the hearts and crimped oval together, punch out center of the Country Floral Lane 5-1/8" x 3-7/8" DSP. Flip the center oval to the other side and attach both pieces to the card front as shown above.
4. Using the crimped oval, punch out the Basic White 2-1/2" x 3-1/4" card stock.
5. Stamp verse from the Country Bouquet stamp set onto the top part of center oval using the Sweet Sorbet stamp pad. Attach to center of oval on card front using Stampin' Dimensionals as shown above.
6. Cut out a bicycle from one of the sheets of the Country Floral Lane. I rounded the corners of this piece, but it is not necessary. Attach to the oval on card front just under the verse as shown above.
7. Using the Country Bouquet punch, punch out coordinating heart from another sheet of the Country Floral Lane DSP. Attach to card front using Stampin' Dimensionals.
8. Attach a bow made from the Linen Thread onto the bottom of the heart using Mini Glue Dots.
9. Attach Pastel Adhesive-Backed Sequins onto the card as shown above or as desired. You are now done! !
