

## Note Card Box Set

This project will use the Kraft Note Cards & Box set throughout. You'll first assemble the box, then fold the cards and envelopes to place inside. Next, you'll decorate the top of the box. Following is the list of supplies used for this purpose:

Calypso Coral – 5-1/2" x 4"  
 Dry Brushed Metallic DSP – 5-1/4" x 3-3/4"  
 Dry Brushed Metallic DSP - 5-1/2" x 5/8" (cut 2)  
 Dry Brushed Metallic DSP - 4" x 5/8" (cut 2)  
 Very Vanilla – 3-5/8" x 3"  
 Calypso Coral Scrap  
 Large Letters Framelits (retired)  
 Framed Florets Dies

1. Attach the Calypso Coral 5-1/2" x 4" card stock to card box top.
2. Attach the Dry Brushed Metallic 5-1/2" x 3-3/4" DSP to the card box top.
3. Attach the Dry Brushed Metallic 5-1/2" x 5/8" DSP pieces to each long side of the box top.
4. Attach the Dry Brushed Metallic 4" x 5/8" DSP pieces to each short side of the box top.
5. Punch out the oval frame from the Very Vanilla 3-5/8" x 3" using the oval frame from the Framed Florets Dies set. Attach frame to the box top using Multi Purpose glue or adhesive of choice. The glue gives you ample opportunity to adjust the oval before drying.
6. Punch out two letters of choice from the Large Letters Framelits die set (or set of choice). Attach the letters to the box top again using glue in order to have time to adjust them. Again, glue isn't necessary, just easier for adjustment. Your box top is now complete so let's move on to the cards!
