1. Score and fold the Soft Succulent 5-1/2” x 8-1/2” to card size of 5-1/2” x 4-1/4”.
2. Emboss the Daffodil Delight 5-1/4” x 4” card stock using the Basics 3d Embossing Folder (“hatches”). Attach to card front with the embossed side down and the relief side up.
3. Attach the Hello, Irresistible 5-1/4” x 3” DSP centered on the Daffodil Delight on card front as shown above.
4. Using the circular die from the Irresistible Blooms Dies set, punch out the Basic White 3-3/4” x 3-3/4” card stock. Attach to card front, centering, using liquid glue.
5. Punch out 3 sizes of leaves from the Hello, Irresistible DSP scraps using the coordinating dies from the Irresistible Blooms Dies set. Punch out flower of choice from another DSP scrap using the coordinating dies from the same set. Stamp either a small or large flower (size is dependent on what size flower you cut from the DSP) using stamp from the Irresistible Blooms stamp set and Mango Melody stamp pad onto a Basic White scrap. Heat emboss using the Clear Embossing Powder. Punch out using coordinating die from the set mentioned above. Using regular adhesive, attach the small leaf between the two flowers (see above). Then attach the larger leaves as shown above. Using Stampin’ Dimensionals, attach to card front as shown above.
6. Stamp the word Hello from the Irresistible Blooms stamp set onto a Basic White scrap using the Memento stamp pad. Cut out just above the word top and bottom, then angle cut as shown above. Attach to card front using Stampin’ Dimensionals.
7. Randomly attach Loose Frosted Dots onto the circles on the circle piece, shown above, using liquid glue.
8. Attach Daffodil Delight 5-3/8” x 4-1/8” card stock inside the card.
9. Attach Basic White 5-1/4” x 4” card stock inside the card. You are now done!!
