Instructions:

1. Score and fold Basic White Thick 11" x 4-1/4" card stock to card size of 5-1/2" x 4-1/4".
2. Emboss the Basic White 5-1/4" x 4" card stock using the Basics 3d Embossing Folder (flowers). Attach to card front.
3. Attach the 2022-2024 In Color 4-1/4" x 3" DSP to the Garden Green 3-1/8" x 4-3/8" card stock. Attach to card front, centering.
4. Stamp the 2022-2024 In Color 1" x 4" DSP to Garden Green 1-1/8" x 4" card stock using verse from the Lucky Clover stamp set and the Garden Green stamp pad. Then, attach to the Garden Green 1-1/8" x 4" card stock. Attach to card front about two-thirds down on card front as shown above.
5. Stamp the large 4-leaf clover from the Lucky Clover stamp set onto the Basic White scrap using the Garden Green stamp pad. I used the Stamparatus to ensure I got great ink coverage. Punch out using the coordinating Lucky Clover Punch. Attach to card front as shown above using dimensionals.
6. Attach a large Iridescent Pastel Gem to center of the clover. Then attach a couple smaller gems to the bottom right of the DSP on card front.
7. Stamp verse of choice from the Luck Clover stamp set using the Garden Green stamp pad onto the inside of the card. The Stamparatus works great for this as well. You are now done!!` Aq 11
