### Instructions:

1. Score and fold Mango Melody 4-1/2" x 11" card stock at 6-1/4".
2. Attach the Pacific Point 4" x 4-1/2" card stock to card front. Then attach Flowers & More 3-7/8" x 4-3/8" DSP to card front.
3. Punch out the Polished Pink 3" x 3" card stock using the swirly die from the painted labels Dies set. Attach to card front as shown above, half on and half off. Be careful to only put adhesive on one side!
4. Stamp bunny and garland images from the Easter Bunny stamp set onto the Basic White scraps. Color in using the recommended colors listed above. The garland you will fussy cut. The bunny you will punch out using the coordinating Bunny Punch. Then, using the puff paint (you can get this at any hobby store as well) add some to the bunny's tail and then heat with heat tool to puff the paint up. Attach the garland to the bunny and attach to card front using dimensionals.
5. Using the Detailed Trio Punch or another corner rounder tool, round all 4 edges of the Starry Sky 2-7/8" x 1-1/8" card stock. Next, stamp the Happy Easter from the Easter Bunny stamp set onto another piece of Basic White scrap using the Memento stamp pad. Punch out using a label die or punch of your choice that would fit. Sorry, the label I used I can't find the die set it belongs to or I'd be happy to list that instead. I definitely need to be more organized when I take things out. Anyway, attach to the Starry Sky piece and then attach to the card front using dimensionals.
6. Attach the Pacific Point 6" x 4" card stock to inside of card. Stamp the Basic White 4-1/2" x 3-7/8" card stock using verse of choice (I used one from the Honeybee stamp set) and the Memento stamp pad. Attach to inside of card toward the left side lining up all 3 edges. Then attach the Flowers & More 1-1/4" x 3-7/8" DSP to the right side ensuring all sides are all even.
7. Attach tiny non-SU rhinestones to center of flowers on the garland on the bunny on card front. Attach two 2021-2023 In Color Opal Rounds to the label on card front and you are now done!!
