Instructions:

1. Score and fold the Petal Pink 5-1/2" x 10-1/2" at 4-1/4" on the long side. Next, using a perforating cutting tool (these can be found on Amazon very inexpensive) score at 8-1/2" on long side. This will create a tear away bookmark. Next, with paper snips cut each edge at the top of the bookmark (or if you have a tag topper punch that can be used as well). Next, punch a hole between to the two cut edges. I then used the circles from the Taylor Made Tags Dies set to form the reinforcing tabs for the punched hole as shown above. I attached using the liquid glue. So much easier. Tie a length of the Soft Succulent 3/8" Open Weave Ribbon to the hole as shown above.
2. Attach the Parakeet Party 1-3/4" x 4-1/2" card stock to the bookmark. To that attach the Rain or Shine 1-5/8" x 4-3/8" DSP.
3. Stamp the Oh Happy Day from the Playing in the Rain stamp set using the Memento stamp pad. Punch out using the 1-3/8" circle from the Layering Circles Framelits (or a punch of course). Punch out a piece of Parakeet Party using the 1-5/8" scallop circle die from the same die set. Attach these two pieces together and attach to the upper part of the bookmark.
4. Punch figure of choice from the Rain or Shine DSP scraps using the coordinating die from the Playing in the Rain Dies set. Attach to the bottom of the bookmark as shown above. Attach a couple embellishments. I used some I had left from the February Paper Pumpkin.
5. For card front, attach Parakeet Party 5-1/4" x 4" card stock. To this, attach the Rain or Shine 5-1/8" x 3-7/8" DSP.
6. Stamp giraffe image from the Back on Your Feet stamp set onto the Basic White 2-7/8" x 3-7/8" card stock. Color in using suggest Stampin' Blends above. Attach to the Parakeet Party 3" x 4" card stock. Using dimensionals, attach to card front toward bottom left
7. Stamp verse from the Back on Your Feet stamp set onto a Basic White scrap using the Memento Stamp Pad. I used 2 stamps as you can see. Then punch out using the small oval on the Double Oval Punch. Punch the Mango Melody scrap using the scallop oval from the same punch. Attach to card front using regular adhesive.
8. Stamp desired images onto the Basic White 5-1/8" x 3-7/8" card stock using the Memento stamp pad. Attach to the Parakeet Party 5-1/4" x 4" card stock, then attach to inside of card and you are now done!!
