Multipurpose Liquid Glue  
Stampin' Dimensionals

### Instructions:

1. Fold Crumb Cake 5-1/2" x 8-1/2" card stock to card size of 5-1/2" x 4-1/4".
2. Attach Starry Sky 5-1/4" x 4" card stock to card front.
3. Using the large forest die from the Grove Die set, punch out the Basic White 5-1/8" x 3-7/8". Attach to the Beauty of the Earth 5-1/8" x 3-7/8" DSP. Trim edges if necessary to ensure a clean edge and attach to card front as shown above.
4. Punch out large deer and baby deer using dies from the Grove Die set. Using the Multipurpose Liquid Glue, attach large deer to card front as shown above. Next, attach baby deer using dimensionals.
5. Stamp words of choice from the Go To Greetings stamp set onto the Starry Sky scrap using the VersaMark. Heat emboss using the White Embossing Powder. Using a pair of scissors cut the words as shown above and attach to card front using dimensionals. Attach embellishments of choice to card front as shown above. I used some from a previous Paper Pumpkin set.
6. Attach Starry Sky 5-1/4" x 4" card stock to inside of card. Then stamp the Basic White 5-1/8" x 3-7/8" card stock with verse of choice from the Peaceful Moments stamp set using the Starry Sky stamp pad. Attach to inside of card and you are now done!!
