Instructions:

1. Score & fold 11" x 4-1/4" card stock at 5-1/2".
2. Attach Fresh Freesia 5-1/4" x 4" card stock to card front. Be sure to cut the piece so that a majority of the yellow daisies are showing to the right of the card as you can see in the picture above.
3. Using the curved Basic Borders die, cut one side of one of the Dainty Delight 5-1/8" x 2-1/4" DSP pieces. Attach to card front as shown above.
4. Attach Adhesive Sheets to the Granny Apple Green scraps. Cut out two curved vines from the Dainty Delight Dies set from the Granny Apple Green scraps. Attach to the card front lining up around the curve of the DSP as shown above. You'll need to trim the bottom of the vines to line them up evenly with the bottom of the DSP.
5. Punch out several daisies from the Mango Melody and Daffodil Delight scraps using the dies from the Dainty Delight Dies. Attach to card front using liquid glue.
6. Punch out the centers of the daisies from the Early Espresso scraps using the die from the Dainty Delights Dies set (the centers are on one die, 4 to the die). Again, using the liquid glue, attach to center of the daisies on card front.
7. Stamp verse from the Dainty Delights stamp set onto the Basic White scrap using the Memento stamp pad. Punch out using the smaller oval from the Double Oval punch. Punch out the Granny Apple Green Scrap using the scallop oval from the Double Oval Punch. Attach the Basic White stamped piece onto this scalloped piece. Attach to card front using dimensionals.
8. Attach 2023-2025 In Color Dots to card front.
9. Using the curved die from the Basic Borders Dies set, cut the 2nd piece of Dainty Delight 5-1/8" x 2-1/4" just as you did in step 3. Attach to the Basic White 5-1/8" x 3-7/8" card stock. Then stamp desired verse onto the Basic White using the Memento stamp pad. Attach to the Fresh Freesia 5-1/4" x 4" card stock and attach to inside of card. You are now done!
