 Light & Dark Granny Apple Green Blends
 Light & Dark Poppy Parade Blends

Supplies/Accessories:

Painted Labels Dies
 Red Rhinestones
 Tear & Tape Adhesive
 Stampin' Dimensionals
 Stampin' Cut & Emboss Machine

Instructions:

- Score Basic Black 4-1/4" x 11" on long side at 5-1/2", 6-3/4", 8-3/4" & 10". Fold and burnish on all score lines all in one direction. This will form a box shape. Do not attach until the following steps.
- Attach the 4-1/8" x 1-1/8" card stock to the second section on the Basic Black 4-1/2" x 11" card stock that you scored & folded in step 1. Then attach the Brights 4" x 1" DSP to this piece.
- Attach the Poppy Parade 4-1/8" x 1-7/8" to the 3rd section of the Basic Black from step 1. Then using the multiple poppies stamp from the Painted Poppies stamp set, stamp onto the Basic White 4" x 1-3/4" card stock using the Memento stamp pad. Then using the larger "speckled" stamp from the same stamp set, stamp random images over the poppies you just stamped using Poppy Parade stamp pad. Attach to the Poppy Parade you just attached to the card base.
- Attach Tear & Tape Adhesive to the first section of the Basic Black from step 1. To attach, fold on the 1st & 3rd score lines and press down. This will form a little box shape.
- Attach the Poppy Parade 4-1/8" x 3-3/8" card stock to the Basic Black above the box you just created. Then stamp the Basic White 4" x 3-1/4" with the large poppy from the Painted Poppies stamp set using the Memento stamp pad. Using the large speckled stamp from the same stamp set and Poppy Parade stamp pad, stamp images randomly around the poppies you just stamped. Attach to the Poppy Parade you just attached to the card.
- Score the Basic Black 5-5/8" x 2-3/4" card stock at 3/8" and 1-5/8". Fold and burnish on these score lines in the same direction. Attach a piece of Tear & Tape to the 3/8" section. Don't attach yet.
- Attach Poppy Parade 1-1/8" x 2-5/8" card stock to the 2nd section of the Basic Black card stock from step 6. Then attach Brights 1" x 2-1/2" DSP to the Poppy Parade.
- Attach Poppy Parade 3-7/8" x 2-5/8" card stock to the large area of the Basic Black from step 6. Then attach the Brights 3-3/4" x 2-1/2" DSP to the Poppy Parade.
- Stamp the single poppy/bud onto the Basic White 3-1/2" x 2-1/4" card stock using Memento stamp pad. Color in using the Blends listed above or of your choice. Then mask the Oh, Hello from the Lovely & Lasting stamp set. Remove masking & stamp the Hello next to the poppy. Punch this piece out using the large frame from the Painted Labels Dies. Attach to the large section of the Basic Black using Stampin' Dimensionals. Attach Red Rhinestones randomly on card front. Attach to the finished piece from step 5 by folding the box up and flat, the attach bottom of the smaller piece toward the bottom of the box and fold the 3/8" tab under toward the top of the card. This will form the last step to the card.
- Stamp a large poppy from the Painted Poppies stamp set onto the Basic White 5-1/8" x 3-7/8" card stock using Memento ink and color in by using the large coordinating stamp with Poppy Parade stamp set. Attach to the Poppy Parade 5-1/4" x 4" card stock. Attach this piece to the back of the card.
