Wetlands	Masking Paper or Post It Notes

Instructions:

1. Score & fold the Pretty Peacock 5-1/2" x 8-1/2" to card size of 5-1/2" x 4-1/4"

2. Attach Soft Sea Foam 5-1/4" x 4" to card front.

3. Stamp verse of choice from the Wetlands stamp set onto the bottom left corner of the Basic White 5-1/8" x 3-7/8" card stock using the Pretty Peacock stamp pad.

4. Stamp the goose from the Wetland stamp set onto the bottom left of the card just above the verse using the Pretty Peacock stamp pad. Now stamp the goose onto Masking Paper or a Post It Note. Cut the goose out and mask the one you just stamped on the Basic White. Once you've masked the goose, stamp the grass from the same stamp set over the goose using Soft Sea Foam stamp pad. Remove masking. Ta, da! Grass in the background!

5. Attach the Pretty Peacock 1-5/8' x 4-7/8" card stock to left side of the Basic White with the stamped goose. Attach to card front.

6. Stamp two of the Basic White 1-1/2" x 1-1/2" squares using the small birds stamp from the Wetlands stamp set and Pretty Peacock stamp pad. Stamp half the birds on one square and the other half on the next square. Attach one square to the Pretty Peacock 1-5/8' x 4-7/8" card stock at the top using dimensionals, centering about 1/8" around 3 sides. Next, attach the 2nd square to the Pretty Peacock to the bottom also using dimensionals, centering about 1/8" around 3 sides as well.

7. Stamp the grass onto the 3rd 1-1/2" x 1-1/2" square using the Soft Sea Foam stamp pad. Attach to the Pretty Peacock on card front centering between the two squares already attached again using Stampin' Dimensionals. Attach a couple rhinestones of choice to the front of card.

8. Stamp the goose onto the 5-1/4" x 4" card stock using Soft Sea Foam. Attach to the Soft Sea Foam 5-1/4" x 4" card stock, then attach to inside of card and you are now done!!
