### Instructions:

1. Score and fold Fresh Freesia at 4-1/4" to form card size of 4-1/4" x 5-1/2".
2. Score Basic White 5-1/4" x 8" at 4" and 6". Fold at the 4" score line and fold in the reverse direction at the 6" score line.
3. Attach the two Garden Green 5-1/8" x 1-7/8" card stock pieces to each of the 2" panels. Then attach the Dainty Delight 5" x 1-3/4" DSP pieces to the Garden Green panels. Attach to inside of card so that the 2" panels are on the outside edge.
4. Attach Basic White 5-1/4" x 4" card stock to front of card. Be sure to only attach adhesive to outside edges of the card stock.
5. Attach Dainty Delight 5-1/8" x 3-7/8" DSP to card front, again, place adhesive only on outside edges.
6. Using the 2-1/2" circle from the Stylish Shapes Dies set and Stampin' Cut & Emboss Machine, cut hole from the card front. You'll have to run it through a couple times. Once you've done this, save the DSP circle for another project. Stamp the owl from the Adorable Owls stamp set onto the Basic White circle using the Memento Stamp pad. Color in using listed Blends Pens or colors of your choice. Attach to the Fresh Freesia circle (not required, but gives the circle a bit more stability). Close card and place the circle into the hole on front of card. Lift the card front keeping the circle in place so that you can mark where to place the adhesive. Attach the adhesive to the one side of the circle. Close the card again and attach the circle in the hole onto the one outside panel inside the card.
7. Stamp "Just a note" from the Home to Roost stamp set onto a Basic White scrap using the Memento stamp pad. Punch out using the small label from the Stylish Shapes Dies set. Attach to card front just under the circle using dimensionals.
8. Attach several Opaque Adhesive Back Gems randomly onto card front and you are now done!!
