Stylish Shapes Dies  
Ribbon Dual Combo Pack  
Iridescent Pastel Gems  
Stampin' Dimensionals  
Multipurpose Liquid Glue

### **Instructions:**

1. Score and fold Petal Pink 4-1/4" x 11" card stock.
2. Attach one of the Very Vanilla 4-3/4" x 3-1/2" card stocks to one of the Pretty Peacock 4-7/8" x 3-5/8" card stocks. Do NOT attach to card front yet.
3. Using the Inked & Tiled Punches, punch out 3 of each from the Inked Botanicals scraps. Attach evenly to the Very Vanilla as shown above.
4. Attach a piece of the Petal Pink ribbon from the Ribbon Dual Combo Pack toward the bottom of the Very Vanilla/Pretty Peacock piece. Attach to card front.
5. Stamp the leaf image from the Inked & Tiled stamp set onto a Very Vanilla scrap using the Pretty Peacock stamp pad. Stamp the flower image from the same stamp set onto another Very Vanilla scrap using the Calypso Coral stamp pad. Fussy cut each out. Attach to the Very Vanilla over the tiles as shown above using dimensionals. For the flowers I only used dimensionals on the flowers and the stems I used liquid glue.
6. Stamp "Just a Note" from the Inked & Tiled stamp set onto a Very Vanilla scrap using the Pretty Peacock stamp pad. Punch out using the small label die from the Stylish Shapes Dies set. I ran the label and die back through to make the label a little smaller. Attach to the Pretty Peacock 1-5/8" x 1/2" card stock and attach to card front, over the ribbon, using dimensionals.
7. Attach Iridescent Pastel Gems to card front.
8. Stamp flower image from the Inked & Tiled stamp set using Calypso Coral stamp pad onto the Very Vanilla 4-3/4" x 3-1/2" card stock. Attach to the Pretty Peacock 4-7/8" x 3-5/8" and attach to inside of card. You are now done!!
