Wanted to Say Dies  
Stampin' Dimensionals  
Mini Stampin' Dimensionals  
Multipurpose Liquid Glue  
Stampin' Cut & Emboss Machine  
Post It Tape or Post It Notes

### **Instructions:**

1. Score & fold Basic White Thick 4-1/4" x 11" to card size of 4-1/4" x 5-1/2".
2. Attach Starry Sky 3-3/4" x 5-1/4" card stock to card front.
3. Attach Basic White 3-1/2" x 5" to card front.
4. Using the Patchwork Pieces Dies, punch out all 3 of the 3-1/4" x 4-3/4" card stock pieces (Real Red, Starry Sky, and Basic White). Take the pieces from each color to form the red, white & blue patchwork by temporarily attaching to the Basic White 3-1/8" x 4-5/8" base piece using Post It Tape or Post It Notes (save your extra pieces to create a couple more cards). Once you like the arrangement, glue each piece into place. Once they're all glued into place, attach to card front. Don't worry about it not looking perfect as this design is very forgiving.
5. From the Wanted to Say dies set, punch out the base piece of the word Celebrate from either the Real Red or Starry Sky card stock. Next, attach a piece of the Adhesive Sheet to the back of the Basic White scrap and cut out the word Celebrate that will go over the base. Once this is assembled, attach to card front using Stampin' Dimensionals.
6. Using the star dies from the Wanted to Say Dies set, punch out two from the Silver Foil scrap. Attach to card front above and below the word Celebrate using Mini Stampin' Dimensionals. If desired, you can punch out a Starry Sky and Real Red stars to put inside of card. You're now done!!
