 Coastal Cabana Stampin' Pad
 Smoky Slate Stampin' Pad
 Gorgeous Grape Stampin' Pad
 Crumb Cake Stampin' Pad
 Azure Afternoon Stampin' Pad
 Old Olive Stampin' Pad
 Real Red Stampin' Pad

Supplies/Accessories:

Gone Fishing Dies
 Rustic Metallic Adhesive Backed Dots
 Festive Pearls
 Stampin' Dimensionals
 Multipurpose Liquid Glue
 Tear & Tape Adhesive
 Stampin' Cut & Emboss Machine
 Corner Rounder Punch of choice

Instructions:

- Score & fold the Real Red 5-1/2" x 8-1/2" card stock at 4-1/4" to card size of 5-1/2" x 4-1/4". Using the large frame from the Gone Fishing Die set and lay it on the card ensuring the blade is not on the fold line, butting it up against the fold then punch out using the Stampin' Cut & Emboss Machine. The card will be slightly smaller, but not by much.
- Using corner rounder of choice, round all 4 corners of the Let's Go Fishing 5-1/4" x 3-7/8" DSP. Attach to card front.
- Using the 2nd largest frame (with sections) from the Gone Fishing Dies set and Stampin' Cut & Emboss Machine, punch out both of the Crumb Cake 4" x 5-1/4" card stock pieces. Using Multipurpose glue attach one piece to the Crumb Cake 3-1/2" x 3-7/8", but don't attach to the back end of the piece (for reference there will be two tabs on that side). Then attach the second punched piece to the first one you just attached, also using Multipurpose glue. This will give this part a little more dimension. Trim off the two tabs on the back and front edges. (Save the cut out pieces for later.) Set aside for now.
- Using the same frame from the same die set from Step 3, cut out the Crumb Cake 2-1/4" x 5-1/4" using only the first two sections of the die. Attach one piece to the Crumb Cake 1-1/2" x 4-7/8", gluing on all edges and sections. Like Step 3, glue the second frame to the top of the first. Now trim the back edge of this piece so that it's nice and straight.
- Before doing any assembling, stamp verse from the Circle Sayings onto one section of the "tray" using the Memento stamp pad. Next, stamp and cut out the "tackle" using the listed supplies and listed stamp pads or colors of your choice. Attach these pieces as desired to the "trays". So much easier to attach and stamp now than when the "trays" are attached to the inside.
- For the first set of mechanisms, score and fold the 2 Real Red 1" x 5" at 1/2", 2-1/2" & 3" all in the same direction. I used Tear & Tape Adhesive and attached to the outside of the large section of each piece. Attach one piece about 1" from the left side, just before the fold line of the card. Do the same for the 2nd piece on the right side. Attach adhesive, glue or the Tear & Tape, to the 1/2" section. Fold the pieces flat on the 2nd fold and close the card and press firmly. This will create your mechanism. Now add liquid glue to the top of each mechanism and center the large "tray" over the mechanisms and close the card, pressing firmly.
- For the 2nd set of mechanisms, score & fold the Crumb Cake 1/2" x 2-1/2" at 1/2", 1-1/4" & 1-3/4". You'll attach to the top of the "tray" you just attached, but in the center on either side of the divider. Once these mechanisms are attached, attach the smaller "tray" as you did the large one.
- Using 2 small & 1 large pieces from the "trays" that you cut out in Step 3, sponge the edges using a sponge dauber and the Crumb Cake stamp pad. Cut about 1/4" from one short side of the smaller pieces, then slide them together. Next, add liquid glue to the larger piece and center of the two small pieces keeping them together. This is supposed to look like the handle. Attach to the center of the card front.
- Stamp verse from the Beautiful Balloons onto the Crumb Cake 2" x 7/8" piece using the Memento stamp pad. Attach to the Real Red 2-1/8" x 1" piece. Attach to the center of the "handle" using dimensionals.
- Stamp two fish from the Gone Fishing stamp set onto a Basic White scrap using the Old Olive stamp pad. To color the fish, use the coordinating stamp and the Calypso Coral stamp pad. Punch out fish using the coordinating die from the Gone Fishing Dies set. Attach to card front. Attach the Rustic Metallic Adhesive Backed Dots to the handle as shown above. Attach Festive Pearls as desired.
- Stamp the Basic White 5-1/4" x 3-7/8" card stock using verse of choice and Memento stamp pad. Using the corner rounder of choice, round all 4 corners and attach to the back of the card. You are now done!!
