## Instructions:

1. Score and fold Real Red 11" x 4-1/4" card stock to card size of 5-1/2" x 4-1/4".
2. Emboss the Basic White 3-3/8" x 4-5/8" card stock using the Timeworn Type 3d Embossing Folder and Stampin' Cut & Emboss Machine. Attach to card front.
3. Attach Regals 2" x 4-1/4" DSP to Real Red 2-1/8" x 4-1/4" card stock. Attach a length of the Real Red ribbon to the center of this piece and attach to card front.
4. Punch out the Parakeet Party 3" x 3" card stock using the 2-3/4" circle die from the Layering Circles Dies set. Then punch out the Basic White 3" x 3" using the 2-5/8" circle die from the Stylish Shapes Dies set using the Stampin' Cut & Emboss Machine. Stamp the Basic White circle using the "road" stamp from the Trucking Along stamp set using the Smoky Slate stamp pad. Attach to the Parakeet Party circle. Attach to card front using dimensionals.
5. Stamp solid truck image from the Trucking Along stamp set onto a Basic White scrap using the Real Red stamp pad. Punch out using the coordinating Trucking Along Builder Punch. Set aside until next step.
6. Stamp "gifts" image onto a Basic White scrap using the Memento stamp pad. Next, double stamp using the coordinating gifts filler stamp and Real Red stamp pad. Color in the center gift using the Parakeet Party Stampin' Write Marker. Fussy cut this image out, leaving a little bit of the card stock on the bottom. Attach to the bed of the truck you punched out in Step 5 by putting adhesive on the bottom edge. Attach this piece to the circle on card front using dimensionals.
7. Stamp verse from the Trucking Along stamp set onto a Basic White scrap using the Memento stamp pad. Trim this piece to just the width of the verse, then angle cut each end as shown above. I freehand drew the holly and fussy cut using the Parakeet Party marker. Attach to the right side with a glue dot. Attach this piece to the top left of card front using dimensionals. Attach a Red Rhinestone to the center of the holly.
8. Tie another length of the Real Red ribbon to the ribbon on card front.
9. Attach Rhinestones to center of tires if desired and several Adhesive-Backed Snowflakes to the bottom of the circle on card front.
10. Stamp solid truck image to Basic White 5-1/8" x 3-7/8" card stock. Attach to Parakeet Party 5-1/4" x 4" card stock and attach to inside of card. You are now done!!
