### **Instructions:**

1. Score & fold Berry Burst 5-1/2" x 8-1/2" card stock to card size of 5-1/2" x 4-1/4"
2. Cut Basic White card stock to 2" x 2" square or cut out using the 2" x 2" square from the Stylish Shapes Dies set. Attach to the Delightfully Eclectic 5-1/4" x 4" DSP with the points of the square facing top to bottom, left to right and centered on the card. Next, using the single dandelion stamp from the Dandelion Wishes stamp set and the Misty Moonlight stamp pad and stamp image onto center of the Basic White 2" x 2" piece on card front. The stamp is too large so the dandelion fly aways will end up on the DSP and this is what you want.
3. Attach adhesive to the Berry Burst 1/4" x 5" strips. Take the first one and attach to card front by lining it up with one edge of the Basic White square, the edge of the strip lined up with the edge of one side of the square as well. Trim each end of the strip even with the DSP. Repeat with the remaining 3 strips.
4. Attach a Post It Note on the bottom right strip and stamp the verse from the Heron Habitat stamp set using the Misty Moonlight stamp pad as shown above. Keep the Post It Note in place and stamp the fly aways from the Dandelion Wishes stamp set using the same stamp pad just below the verse as shown above. Repeat for the other 2 areas that are plain (mask and stamp). Attach to card front. Attach a 2023-2025 In Color dot to center of the dandelion in the center.
5. Stamp the single dandelion from the Dandelion Wishes stamp set onto the Basic White 5-1/4" x 4" card stock using the Misty Moonlight stamp pad. Attach to inside of card and you are now done!!
