Instructions:

1. Score & fold Copper Clay 5-1/2" x 11" card stock at 3" and 7-1/4".
2. Using the leaf die from the Around the Bend Dies set, cut the 3" side of the card.
3. Attach the Fresh As a Daisy 3-5/8" x 5-3/8" DSP to the outside of the right side of the card.
4. Stamp the Basic White 5-3/8" x 4-1/8" with the leaf corner stamp from the Around the Bend stamp set using the Pretty Peacock stamp pad. Attach to inside of card.
5. Using the Stampin' Cut & Emboss Machine, punch out Basic White scraps using the first layer of medium and small daisies of the Cheerful Daisies Dies set. Punch out the middle layer of the medium and small daisies from a Pretty Peacock scrap and using the same dies set. Then punch out the small layer of the medium and small daisies from the Basic White scrap and same dies set. Attach the coordinating pieces together using the Multipurpose glue. Set aside until step 6 is complete.
6. Punch out leaf stems from the Granny Apple Green scraps using the dies from the Around the Bend Dies set. Attach these and the daisies from step 5 to the left of the card front as shown above. One daisy is popped up using dimensionals.
7. Stamp verse from the Cheerful Daisies stamp set onto another Basic White scrap using the Pretty Peacock stamp pad. Punch out using the die from the Cheerful Daisies Dies set. Then attach to the Pretty Peacock 1-1/8" x 2-1/2" card stock. Using a length of the Gold Twine, wrap around in 3 circles attaching to the back of the label. Using dimensionals attach this piece to bottom left of card front as shown above. Attach Iridescent Rhinestones to the 4 corners of the label.
8. Attach Iridescent Rhinestones randomly on card front. You are now done!!
