Bag of Bones Dies
Deckled Circles Dies
Nested Essentials Dies
Glow-In-The-Dark Bats & Ghosts
Stampin' Dimensionals
Multi Purpose Liquid Glue
Stampin' Cut & Emboss Machine
Heat Tool

Instructions:

1. Score & fold the Basic Black 4-1/4" x 8-1/4" card stock at 5-1/2". Attach the Them Bones 4-1/8" x 5-3/8" DSP to the inside of the card. Then attach the Them Bones 4-1/8" x 2-5/8" DSP to the top front of the card.
2. Score & fold the Basic White 9" x 3-1/4" card stock at 4-1/2". Stamp the inside of this small card as desired using the Pumpkin Pie stamp pad. Attach to inside of the main card, centering on all 4 sides.
3. Punch the Basic Black 2-3/4" x 2-3/4" card stock using the 2-1/2" Deckled Circles die and attach to the front upper portion of the Basic White card. Stamp the Happy Halloween verse from the Bag of Bones stamp set onto the Them Bones 2-1/2" x 2-1/2" DSP and heat emboss using the Basic White embossing powder. Cut out using the 2-1/4" Deckled Circles die. Attach to the Basic Black circle on the Basic White card front. Stamp the pup using Memento stamp pad under the circles. Cut out a top hat from the Bag of Bone Dies set from the Black Glimmer Scrap. Attach to the pup. Optional, stamp the arm of the skeleton onto the hat as shown above, using the Memento stamp pad.
4. Attach the Basic Black 4-3/8" x 2-7/8" card stock to the front of the main card, centering on the top half and the Basic White card underneath. Then attach the Them Bones 4-1/4" x 2-3/4" DSP to the Basic Black on card front.
5. Stamp verse from the Bag of Bones stamp set onto the Glow-In-The-Dark DSP scrap using VersaMark. Then heat emboss using the Basic Black embossing powder. TIP: Using the Embossing Buddy liberally on the Glow-In-The-Dark DSP to prevent the embossing powder from sticking to the paper. Punch the verse out using the smallest label from the Nested Essentials Dies set. Attach to card front using dimensionals as shown above.
6. Stamp the pup skeleton and human skeleton onto the Glow-In-The-Dark DSP scrap using VersaMark stamp pad. Heat emboss using the Basic Black embossing powder. Cut out using the coordinating dies from the Bag of Bones Dies set. Attach to card front using dimensionals.
7. Punch out top hat from the Bag of Bones Dies set from the Black Glimmer paper. Attach to card front using dimensionals. Attach Glow-In-The-Dark Bats & Ghosts as desired and you are now done!!
