Instructions:

- Score card at 4-1/4". Using the Take Your Pick Tool and Simply Scored Scoring Tool, score card at 8-1/2". This will form your bookmark. Fold on the 4-1/4" score line and also on the 8-1/2" perforated score line.
- Using the Sparkling Snowflakes Tag Topper, punch the top of the bookmark section of the card. Carefully slide card in so that it doesn't bend.
- Attach Real Red 5-1/4" x 4" card stock to card front.
- Attach Beary Christmas 5-1/8" x 3-7/8" DSP to card front.
- Using the "scallop" die from the Basic Borders Dies set and cut one side of the Snowflake Magic 5-1/8" x 3-7/8" DSP on one edge slightly angling the die. Then using the same die, turn the DSP and cut the other end slightly angling in the opposite direction from the first angle. Attach one piece to the bottom of DSP on card front, then attach the 2nd piece over this one to form what may look like snow banks. (-)
- Using the Beary Cute Punch, punch out a bear from the Beary Christmas DSP scrap and attach to card front as shown above. Then, fussy cut another bear from the same paper, but one that is facing in the opposite directions of the first bear and attach to card front.
- Using the large and small snowflake from the Chic Dies set, punch out 2 of each from the silver foil. Attach one large and one small snowflake to card front using mini dimensionals. Attach 3 of the Festive Pearls to the center of the large snowflake and one on the small snowflake. Set other 2 snowflakes aside.
- Stamp Basic White scrap using the "just for you" stamp from the So Sincere stamp set and Azure Afternoon stamp pad. Punch out using smallest banner die from the Nested Essentials Dies set. Attach to card front as shown above. Attach another Festive Pearl to this piece.
- Using the Snowflake Sky 3d Embossing Folder, emboss left side of the Basic White 5-1/8" x 3-7/8" card stock. Then stamp verse from the Festive & Fun stamp set using Real Red stamp pad to this piece. Attach to the Real Red 5-1/4" x 4" card stock and attach to inside of card.
- Emboss one Basic White 2-1/8" x 4-1/4" card stock using the Snowflake Sky 3d Embossing Folder. Attach to one of the Real Red 2-1/4" x 4-3/8" card stocks. Attach to the backside of the bookmark section as shown above. Attach the 2 remaining snowflakes from step 7 to this piece. Then attach 3 Festive Pearls to the center of the large snowflake and one to the small snowflake.
- Stamp verse from the Festive & Fun stamp set onto the Basic White 2-1/8" x 4-1/4" card stock using the Real Red stamp pad. Stamp the baby bear from the Beary Cute stamp set onto the bottom of this piece using Memento stamp pad. Then stamp the present from the same stamp set on the bottom in front of the bear using the Memento stamp pad. Color in using the above listed markers. Attach to the Real Red 2-1/4" x 4-3/8" card stock and attach to front of book mark as shown above. You are now done!!
