### **Instructions:**

1. Score and fold Cherry Cobbler 5-1/2" x 8-1/2" card stock at 4-1/4" to make card size of 5-1/2" x 4-1/4".
2. Attach Basic Black 5-1/8" x 3-7/8" card stock to 5-3/8" x 4-1/8" card stock.
3. Cut deer using die from the Detailed Deer Thinlits set from center of the Basic White 5" x 3-3/4" card stock. Then emboss using the Softly Falling Embossing Folder. Attach Peaceful Prints 4-7/8" x 3-5/8" DSP to the back side of this piece. Attach to the Basic Black from step 2. Tie a length of the cherry Cobbler 7 Gold 1/2" Metallic Ribbon toward bottom of this piece. Then attach to card front. Tie a bow in another length of ribbon and attach to the ribbon on card front using mini glue dots.
4. Using a piece of tape, cover the word "Happiest" on the "Christmas Wishes" stamp and ink up using the VersaMark stamp pad. Remove tape and stamp verse onto a Cherry Cobbler scrap. Heat emboss using the gold Embossing Powder. Punch out using the 2<sup>nd</sup> to largest label from the Stylish Shapes Dies set. Attach to top of card front using dimensionals as shown above.
5. Attach Festive Pearls randomly on card front.
6. Stamp verse of choice from the Dashing Deer stamp set using VersaMark onto the Basic White 5-1/8" x 3-7/8" card stock. Heat emboss using the Gold Embossing Powder.
7. Punch out two corners from the Cherry Cobbler scrap using the ornate corners from the Detailed Deer Thinlits set. Attach to opposite corners of the Basic White using liquid glue or Adhesive Sheets (attach prior to cutting). Attach this piece to the Basic Black 5-1/4" x 4" card stock and attach to inside of card. Attach a Festive Pearl onto the flowers on the corners. You are now done!
