Instructions:

1. Score the Basic Black 5-1/2" x 10-1/8" card stock horizontally at 4-1/4", 5-3/4", 7-1/4" and 8-3/4". Fold on score lines in the same direction so that it looks like a box. Follow the next step before adhering.
2. Attach one of Them Bones 5-1/2" x 1-3/8" DSP pieces between the 1st & 2nd folds on the Basic Black from step 1. Then attach the 2nd Them Bones 5-1/2" x 1-3/8" DSP pieces between the 3rd & 4th folds. Then attach Tear & Tape to the last fold just to the fold line and just to the edge. Fold on the 2nd fold and fold the last section under to attach the edge. This will give you a straight fold for the box.
3. Using the coordinating dies from the Them Bones Dies set, cut out a skeleton, dog, and cat from the Them Bones DSP scraps. Set aside until the following steps.
4. Cut out a Basic Black scrap using the smallest circle die from the Reach for the Stars Dies set. Using a pair of snips, cut a spiral into the circle. Put a dab of liquid glue to the center of this piece and attach to the skeleton from step 3. Attach to the front of the "box" on the card using a small dab of glue on the end of the spiral. This will create a "wobbly" ghost.
5. Cut out the "tombstone" from the Smoky Slate scrap using the "tombstone" from the Bag of Bones dies set. Stamp the "eat, shriek, and be scary" verse from the Bag of Bones stamp set onto the "tombstone" using the Memento stamp pad. Attach to the right side of the box as shown above. Attach the cat you cut out from step 3 to the top of the "tombstone".
6. Attach the Them Bones 5-1/2" x 1-1/4" DSP to edge of the card. Attach the dog just over the "tombstone" and this piece as shown above.
7. Punch out the Glow-In-The-Dark scrap using the 1-3/4" circle punch. Using the Stampin' Buddy, liberally pounce onto this circle and a good rub. Next, using the two bat stamps from the Bag of Bones stamp set and the VersaMark stamp set, stamp onto this circle and heat emboss using the Black embossing powder and heat tool. Attach to card as shown above.
8. Attach the Basic White 5-1/8" x 3-7/8" card stock to the Pumpkin Pie 5-1/4" x 4" card stock. Attach to back of card.
9. Stamp Happy Halloween from the Bag of Bones stamp set onto the Cajun Craze scrap toward the edge of the card stock. Then cut out using the largest label die from the Stylish Shapes Dies set. Attach to the box as shown above.
10. Attach two Glow-in-the Dark bats to the box above the label and the ghost as desired. Then attach two Adhesive-Backed Sparkle Gems below the label. You are now done!
