## **Instructions:**

1. Score & fold 5-1/2" x 8-1/2" at 4-1/4" to card size of 5-1/2" x 4-1/4".
2. Attach Gingham Cottage 5-1/8" x 3-7/8" DSP to the Blackberry Bliss 5-1/4" x 4" card stock. Attach a piece of 3/8" Blackberry Bliss ribbon about 2/3 down from top of card as shown above. Then attach this piece to card front.
3. Using a Sponge Dauber for each of the 3 colors listed above, daub each color onto the small tree stamp from the Rooted in Nature stamp set. Then color the trunk of the tree using the Copper Clay marker. Stamp onto a Basic White scrap. Repeat this to make a second tree. Punch each tree out using the coordinating die from the Nature's Roots Framelits dies set. Set these aside until next step.
4. Stamp verse from the Special Moments stamp onto another Basic White scrap using the Blackberry Bliss stamp pad. Punch out using the 2<sup>nd</sup> to smallest frame from the Nested Essentials Dies set. Then attach to the Blackberry Bliss scrap. Using a pair of scissors, trim about 1/8" from each edge of the Basic White. Next, attach one of the trees from step 3 to back of the left side of the label. Trim the bottom of the tree even with the label. Attach to card front as shown above using regular adhesive. Attach the 2<sup>nd</sup> tree to the left of the label using Stampin' Dimensionals as shown above. Using a little length of the Crumb Cake Baker's Twine from the Essentials Pack, tie onto the popped up tree. Trim and fray the edges of the twine.
5. Stamp another tree onto the Basic White 5-1/8" x 3-7/8" card stock using the same method from step 3. Then stamp verse of choice using the Blackberry Bliss stamp pad (I used one from the Sunny Sentiments stamp set) and attach to the Blackberry Bliss 5-1/4" x 4" card stock and attach to inside of card.
6. Attach 2023-2025 In Color Dots to front of card and you are now done!!
