Instructions:

1. Score the Mossy Meadow 8-1/2" x 11" length-wise at 4-1/4". Rotate to the long side and score at 5-1/2". With the card stock in landscape, cut the top left section (5-1/2" x 4-1/4") out. Then score and fold the bottom left at 2". Attach one of the Shining Christmas 4-1/8" x 1-7/8" to outside of the scored section. Using the 1-3/4" Circle Punch, punch out a little notch from the edge of the 2" section. Using Tear & Tape Adhesive, attach the sides of the 2" section to form a pocket as shown above.
2. Fold the left section in and attach Shining Christmas 4-1/8" x 3-3/8" DSP to this section. Open and attach the 2nd Shining Christmas 4-1/8" x 1-7/8" to the right of the inside section.
3. Stamp the Basic White 3-3/8" x 4-1/8" card stock using verse of choice from the Wishes All Around stamp set using Cherry Cobbler stamp pad. Attach to the left of the DSP inside card.
4. For card front, attach Cherry Cobbler 5-1/4" x 4" card stock. Then attach the Shining Christmas 5-1/8" x 3-7/8" DSP to card front.
5. Stamp verse of choice from the Joy to You stamp set onto the Basic White 3-1/2" x 2-3/4" card stock using Cherry Cobbler stamp pad. Punch out using the 2-7/8" x 3-7/8" scallop frame from the Scalloped Contours Dies set. I cut a 2nd time to make the frame fit the verse. Attach to the Cherry Cobbler 3-3/8" x 2-5/8" card stock.
6. Using Mini Glue Dots, attach 2 pieces of ribbon to card front as shown above. Then using dimensionals attach the label from step 5 over the ribbon. Attach Festive Pearls to the label and you are now done!!
