 Stampin' Cut & Emboss Machine
 Heat Tool

Instructions:

- Score Fresh Freesia 8" x 5-1/2" on short side at 3", 6" and 7". Fold and burnish into a mountain fold.
- Attach Parakeet Party 5-3/8" x 7/8" to front narrow fold on card front. Then attach the Penguin Playmates 3/4" x 5-1/4" to this same area centering on Parakeet Party.
- Attach Parakeet Party 5-3/8" x 2-7/8" to large center on card front. Then attach the Penguin Playmates 5-1/4" x 2-3/4" DSP to this same area centering on Parakeet Party.
- Score and fold Fresh Freesia 3" x 6" on long side at 4-1/4". Fold and burnish. Attach Parakeet Party 4-1/8" x 2-7/8" to this piece. Next, attach Penguin Playmates 4" x 2-3/4" DSP to this area. Lay the main card flat and attach the bottom of the Parakeet Party piece to the bottom of the card centering on the 1" section. Be sure not to get adhesive above the 1" fold. Flip this entire piece over and add adhesive to the bottom of the 1-3/4" section ensuring you add no more than 1/4" of glue or other adhesive. Then attach the 2nd Parakeet Party 5-3/8" x 2-7/8" card stock to the back of card. Next, attach the Penguin Playmates 5-1/4" x 2-3/4" DSP to the Parakeet Party. Flip to front of card.
- Using the Memento stamp pad, stamp bunny image from the Playing in the Rain stamp set onto a Basic White scrap. Using the coordinating die from the Playing in the Rain Dies set and Stampin' Cut & Emboss Machine, punch the bunny out.
- Stamp the bunny image (Playing in the Rain stamp set) onto a Penguin Playmates scrap and fussy cut out the jacket. Using liquid glue, attach to the bunny from Step 5. From another DSP scrap, cut out a hat, scarf and mittens and attach to the bunny. Trim down the scrap to fit around the jacket, then attach to the bunny. Add a dot of puff paint to the hat and heat dry with the Heat Tool.
- Using scissors or a die, wavy cut the Basic White 2-7/8" x 1-1/8" in half length-wise. Flip one piece over and attach to the back of the other piece to form snow. Trim as needed. Attach to card front as shown above.
- Using dimensionals, attach bunny to card front.
- Stamp the clouds from the Playing in the Rain stamp set onto a Basic White scrap using the Smoky Slate stamp pad. Punch out using the coordinating dies from the Playing in the Rain Dies set. Then color in using the Wink of Stella. Attach the largest cloud to card front using dimensionals. Attach the middle-sized cloud to card front using regular adhesive.
- Attach Adhesive-Backed Snowflakes to card front as shown above. Using the Silver Enamel Effects, put a dot in center of each cloud. Allow to dry, about 15 minutes.
- Using the "Oh Happy Day" stamp from the Playing in the Rain stamp set, tape off the "Oh" and the "Day" and ink up using Fresh Freesia stamp pad. Remove tape and stamp image onto a Basic White scrap. Punch out using the 2nd largest label from the Stylish Shapes Dies set. Trim right next to the word and attach to card front as shown above.
- Attach Basic White 5-3/8" x 2-7/8" card stock to inside of card. Attach DSP 1/2" x 5-3/8" to bottom of Basic White. You are now done!! Yay!!
