6. Using the stocking die from the Sending Cheer Dies set and the Stampin' Cut & Emboss Machine, cut out the Joyful 3" x 2" DSP. Then using the stocking "top", "toe" and "heel" dies from the same set, cut out from the Textured Shimmer Paper Scraps. Attach to the stocking using liquid glue (this is easier to manipulate the pieces). Attach to card front using dimensionals.
7. Tie a bow from the gold Simply Elegant Trim and attach to the loop of the stocking using Mini Glue Dots.
8. Stamp the "For You" from the Sending Cheer stamp set and Poppy Parade stamp pad onto a Basic White scrap. Cut out using the tag die from the Sending Cheer Dies set. Attach to the stocking on card front over the bow using Mini Glue Dots.
9. Stamp the holly and berries from the Sending Cheer stamp set using the Shaded Spruce and Poppy Parade stamp pads onto the Basic White scraps and cut out using the coordinating dies from the Sending Cheer Dies set. Attach to the stocking over the bow and tag using Mini Glue Dots as shown above.
10. Attach large red gems from the Loose Holly Gems & Sequins onto the berries on card front using liquid glue. Then attach smaller red gems randomly on card front.
11. Stamp verse from the Very Best Occasions stamp set onto the Basic White 5-1/8" x 3-7/8" using the Shaded Spruce stamp pad. Color in the holly using the Blends Pens listed above. Attach this piece to the Shaded Spruce 5-1/4" x 4" card stock. Then attach to inside of card. Last, attach the Merry Bold & Bright 1/2" x 3-7/8" DSP to the bottom of the Basic White and you are now done!!
