### **Instructions:**

1. Score and fold 5-1/2” x 8-1/2” card stock at 4-1/4”. Next, using the Paper Trimmer cut on the fold line (4-1/4”) down to 2-3/4”, turn and cut at 2-3/4” to remove the top portion of the front of the card.
2. Cut the Glorious Gingham 3-7/8” x 2-1/2” DSP at 3/4”. Attach to the top portion of the bottom half of card front. Then flip and attach the bottom piece you just cut under the piece you just attached to the card. This just gives this a little contrast.
3. Cut out the Basic White 5-1/2” x 4-1/4” card stock using the large frame from the Radiating Stitches Dies set. Stamp verse of choice from either the Hey Chuck or Hey Chick stamp sets onto this piece using the Memento stamp pad. Attach to inside of card.
4. Cut out the Basic White 3” x 4-1/4” using the 2<sup>nd</sup> largest die from the Radiating Stitches Dies set. Stamp the verse from the Hey Chuck stamp set onto the bottom of this piece using the Memento stamp pad. Then stamp the fence from the same stamp set onto the upper part of this piece as shown above using the Memento stamp pad and coloring in using the Crumb Cake Blender Pens.
5. Attach a piece of Adhesive Sheet to the Daffodil Delight scrap. Cut out using the sun from the Hey Chuck Dies Set. Cut the sun in half and attach to the upper corner of the Basic White from step 4 as shown above. Attach a length of the Pecan Pie ribbon around this piece and attach to the Pecan Pie 2-3/4” x 4-1/8” card stock. Attach to the card front centering with the stitches on the inside of the card. Remember, only add adhesive to the bottom of this piece. Tie another length of ribbon to the ribbon on the card front.
6. Stamp chicken of choice from the Hey Chick stamp set onto a Basic White Scrap using the Memento stamp pad. Color in using listed Blender Pens or colors of your choice. Cut this out using the coordinating die from the Chick dies set or fussy cut. Attach to card front using a combination of mini and regular dimensionals.
7. Attach Opaque Faceted Gems randomly to card front. You are now done!!

**NOTE:** I used the bow tie die from the Birthday Chick dies set from a scrap of DSP. This is optional.
