Instructions:

1. Score and fold Poppy Parade 5-1/2" x 8-1/2" at 4-1/4" to form card size of 5-1/2" x 4-1/4".
2. Attach Basic White 5-1/8" x 3-7/8" card stock to card front.
3. Attach Brights 5" x 3" DSP to the center of the Basic White on card front.
4. Using the envelope shaped die from the Basic Borders dies set, cut the Basic White 5" x 3-3/8" card stock in half with the point of the die off centered. Emboss the top piece using the Tasteful Textiles 3D Embossing Folder then attach to the card front toward the top. Stamp verse from the Hey Chuck stamp set onto the bottom Basic White piece using the Memento stamp pad. There should be a gap between these two pieces where the Bright DSP is showing as shown above.
5. Punch out the Poppy Parade 2-3/4" x 2-3/4" card stock using the 2-1/2" circle from the Deckled Circles dies set. Next, cut out the Basic White 2-1/2" x 2-1/2" card stock using the 2-1/4" circle from the Deckled Circles dies set. Attach to the Poppy Parade circle you just cut out. Attach to card front toward the left side using dimensionals.
6. Stamp rooster and skateboard from the Hey Chuck stamp set onto a Basic White scrap using the Memento stamp pad. Color in using the above listed Blender Pens or colors of your choice. Cut these images out using the coordinating dies from the Hey Chuck dies set. Attach the rooster to the skateboard using liquid glue. Then attach to the circle on the card front using a combination of mini and regular dimensionals.
7. Attach Iridescent Pastel Gems randomly to card front.
8. Stamp desired image from the Hey Chuck stamp set onto the Basic White 5-1/4" x 4" card stock and color in. Stamp verse of choice onto this piece and attach to inside of card and you are now done!!
