Stampin' Cut & Emboss Machine  
Heat Tool

### **Instructions:**

1. Score and fold Night of Navy 5-1/2" x 8-1/2" card stock at 4-1/4" to form card size of 4-1/4" x 5-1/2".
2. Attach Basic White 5-1/4" x 4" card stock to card front.
3. Using VersaMark and the splatter, paragraph, and large flower stamps from the Quiet Meadow stamp set, stamp images randomly onto the Night of Navy 5-1/8" x 3-7/8". Don't overlap images at this point. Heat emboss using the White embossing powder. Then fill in any spots you'd like filled with the same stamps and VersaMark and heat emboss again. Attach to card front.
4. Cut out the diamond shape from the Basic White 4-1/2" x 2-1/2" card stock using the 2<sup>nd</sup> largest die from the Nested Essentials Dies set. Then stamp the large flower bunch onto this piece using the Night of Navy stamp pad. Randomly stamp some splatters around the flowers using the same stamp pad as shown above. Then attach to the Night of Navy 3" x 5" card stock. Once you've done this, cut around the diamond shape using the Paper Trimmer ensuring all edges are relatively even. I found it easier to use the trimmer than a pair of scissors. Attach to card front using dimensionals.
5. Cut out the label from the Meadow Dies set from the Basic White scrap. Trim the Night of Navy scrap to 2-3/16" and 5/8". Stamp verse from the Quiet Meadow stamp set onto this piece using VersaMark then heat emboss using the white embossing powder. Attach to center of the label, then attach to the base of the diamond using mini dimensionals on each end of the label.
6. Stamp images from the Quiet Meadow stamp set onto the bottom of the Basic White 5-1/4" x 4" card stock using the Night of Navy stamp pad. Attach to inside of card and you are now done!!
