Instructions:

1. Score and fold Basic White Thick 4-1/4" x 11" card stock at 5-1/2" to form card size of 5-1/2" x 4-1/4"
2. Attach Basic Black 5-1/8" x 3-7/8" card stock to card front.
3. Attach Glorious Gingham 5" x 3-3/4" DSP to card front.
4. Stamp larger leaf image from the Sending Smiles stamp set onto a Basic White scrap using Shaded Spruce. Cut this out using the coordinating die from the Sending Dies set. Attach to card front using liquid glue as shown above.
5. Stamp Basic Black scrap using the large flower head from the Sending Smiles stamp set three times using VersaMark and then heat emboss using the white embossing powder. Punch out flowers using the coordinating stamp from the Sending Dies set. Attach to the leaves on card front using dimensionals as shown above. Color in center of each flower using the Wink of Stella
6. Tie a small bow from the black baker's twine and attach to the stem using a mini glue dot.
7. Cut out the background for the word "sending" from the Basic White 1-1/2" x 3-3/4" card stock using the die from the Sending Dies set. Next attach the Adhesive 1-1/2" x 3-3/4" Sheet to the Basic Black 1-1/2" x 3-3/4" card stock. Then cut out the word "sending" from the same dies set. Remove adhesive and attach the black to the white. To save frustration, attach a small black dot from the Classic Matte Dots over the "l" in "sending". Attach to card front using mini dimensionals.
8. Stamp verse of choice from the Sending Smiles stamp set onto a Basic White scrap using the Memento stamp pad. Cut out using one of the frame dies from the Sending Dies set. Attach to card front as shown above using regular adhesive.
9. Randomly attach Silver & Clear Epoxy Essentials to card front.
10. Stamp verse of choice (I used one from the Simply Succulents stamp set) onto the Basic White 5" x 3-3/4" card stock using the Memento stamp pad.
11. Attach Glorious Gingham 3-3/4" x 1/2" DSP to bottom of the Basic White 5" x 3-3/4" card stock. Then using the same flower head die from the Sending Dies set that you used for the front of the card, cut out the bottom right corner. After you've done this, line this piece up over the Basic Black 5-1/8" x 3-7/8" card stock (DO NOT attach yet, just line up). Then using the coordinating stamp from the Sending Smiles stamp set and VersaMark, stamp the image in the cutout flower onto the Basic Black. Remove the Basic White and heat emboss flower using the white embossing powder. Now attach the Basic White to the Basic Black ensuring your flower is lined up. Attach to inside of card. Color in center of the flower using the Wink of Stella and you are now done!!
