Starry Sky Stampin' Pad

Supplies/Accessories:

Starlight Thinlits
Iridescent Pearls
2022-2024 In Color Pearls
Stampin' Dimensionals
Mini Stampin' Dimensionals
Stampin' Cut & Emboss Machine

Instructions:

1. Score and fold Starry Sky 5-1/2" x 8-1/2" card stock at 4-1/4" to form card base size of 5-1/2" x 4-1/4".
2. Using the small detailed star thinlit die from the Starlight dies set, punch out the center of White Glimmer Paper. Set the star aside, attach the glimmer paper to the card front. The cutout will be covered.
3. Stamp the large star fall from the Star of Light stamp set onto the Basic White 4-5/8" x 3-3/8" card stock using the Starry Sky stamp pad.
4. Stamp verse from the Star of Light stamp set onto the bottom left of the card stock from step 3. Then using the plain star die from the Starlight Thinlits dies set, punch the center of the card stock out as shown above. Attach to the Starry Sky 4-3/4" x 3-1/2" card stock. Then attach to card front using dimensionals.
5. Using a mini dimensional attach glimmer star from step 2 to the center of the cut out star on card front as shown above. Attach an Iridescent Pearl to the center of the star. Attach a few 2022-2024 In Color Pearls randomly around the star.
6. Ink up, then lightly stamp off the large star fall from the Star of Light stamp set and stamp onto the Basic White 5-1/4" x 4" card stock. Then stamp verse of choice, I used one from the Framed & Festive stamp set, using the Starry Sky stamp pad. Attach to the inside of the card and you are now done!!
