Instructions:

1. Score and fold Basic White Thick 11" x 4-1/4" at 5-1/2" to form card size of 5-1/2" x 4-1/4".
2. Using the large star fall stamp from the Star of Light stamp set, stamp images onto the Basic White 5-1/8" x 3-7/8" card stock using the Smoky Slate stamp pad.
3. Stamp the largest star from the Star of Light stamp set onto the Basic White from step 2 using the Berry Burst stamp pad.
4. Randomly stamp the small stars from the Star of Light stamp set onto the Smoky Slate star fall, as shown above, using the Berry Burst stamp pad. Attach this piece to the Berry Burst 5-1/4" x 4" card stock, then attach to the card front.
5. Stamp the star fall image onto the 2nd Basic White 5-1/8" x 3-7/8" card stock using the large stamp from the Star of Light stamp set and Smoky Slate stamp pad (stamp off once first). Then stamp verse of choice using the Berry Burst stamp pad. I used the Brightest Glow stamp pad. Attach to the 2nd Berry Burst 5-1/4" x 4" card stock, then attach to inside of card.
6. Attach Iridescent Rhinestones to the centers of the stars on the card front. You are now done!
