Instructions:

1. Score & fold the Basic Black 11" x 4-1/4" card stock at 2-3/4" and 5-1/2".
2. Stamp the Doggone Friendly image onto the two Basic White 5-1/4" x 4" card stock pieces using the Memento stamp pad. Attach each to the two Real Red 5-3/8" x 4-1/8" card stock pieces.
3. Attach one piece from Step 2 onto what would be considered the inside of the card. Attach the 2nd piece from Step 2 onto the first fold of the card front. I recommend attaching the adhesive to the 2-3/4" x 4-1/4" section of the card front, then attaching the 2nd piece. This will diminish the risk of too much adhesive.
4. Stamp the Doggone Friendly image onto the Basic White 2-3/4" x 2-3/4" card stock using the Memento stamp pad. Cut this out using the 2-3/8" circle die from the Everyday Details dies set. Then cut out the Real Red 2-3/4" x 2-3/4" card stock using the 2-5/8" circle die from the Stylish Shapes Dies set. Attach these pieces together. Using dimensionals, attach to the top of the card as shown above.
5. Attach the Basic Black 3-1/8" x 3-1/8" card stock to the bottom part of the inside of card ensuring it is attached evenly on all 3 sides, approximately 1/4". Then attach the Post It Note pad using Tear & Tape or just remove the backing and attach using the Post It adhesive already there.
6. Attach the Basic Black 3-5/8" x 2-5/8" card stock just under the circle on the card front as shown above. Then attach the calendar using Tear & Tape Adhesive.
7. Randomly attach black Classic Matte Dots to card front and you are now done!!
