Instructions:

- Score and fold the Pool Party 11" x 4-1/4" card stock at 2-3/4" and 5-1/2".
- Attach the Pool Party 5-1/2" x 4-1/4" card stock to the bottom of the card front, adding adhesive to just the bottom 2-3/4" of card front.
- Attach one Basic White 5-1/4" x 4" card stock on card front, the piece you just attached in step 2, and one inside of card.
- Attach Lighter Than Air 5-1/8" x 3-7/8" DSP to the card front over Basic White you attached in step 3.
- Attach Lighter Than Air 3-7/8" x 1-3/4" to inside of card on the bottom of the Basic White attached in step 3, ensuring it is evenly spaced on the 3 bottom sides.
- Using the zigzag die from the Excellent Eggs Dies set and Stampin' Cut & Emboss Machine, cut one each out of the Melon Mambo, Tahitian Tide and Parakeet Party. Attach two at the top of card front and one on the bottom of card using liquid glue as shown above.
- Stamp the Happy Easter from the Easter Bunny stamp set onto a Basic White scrap using the Memento stamp pad. Cut out using the longest label die from the Delicate Forest Dies set. I cut the label down to fit the sentiment by putting it back through the Stampin' Cut & Emboss Machine. Attach to card front at the top using dimensionals.
- Using the listed scraps, or color scraps of your choice, cut out 3 eggs using the die from the Excellent Eggs Dies set. Using scotch tape, put a little behind each egg and attach different color pieces to each egg as shown above. Attach to card front using liquid glue.
- Stamp bunny from the Easter Bunny stamp set onto a Basic White scrap using the Memento stamp pad. Using the coordinating Easter Bunny punch, punch out. Color in nose and inside of ears with the Bubble Bath marker. If desired, add a little of the Puff Paint to the bunny tail and heat using the heat tool. Attach to card front using dimensionals. Attach a little daisy from the Loose Daisy Embellishments onto the bunny using liquid glue.
- Attach a couple of the Opaque Ovals to card front.
- Stamp verse from the Excellent Eggs stamp set onto the Basic White 2-1/8" x 1-1/4" card stock then cut out using the 1-7/8" x 1-1/8" label from the Perennial Postage Dies set. Attach to the Fresh Freesia 2-1/8" x 1-1/4" card stock. Attach to inside of card just under the edge of the DSP using dimensionals. This is to stand the card front up as shown in the image above.
- Stamp the little bunny from the Excellent Eggs stamp set onto another Basic White scrap using the Memento stamp pad. Cut out using the coordinating die from the Excellent Eggs Dies set.
