2. Using the dashes stamp from the Botanical Blooms stamp set and Balmy Blue stamp pad, stamp them onto card front in a square pattern (STAMP OFF THE STAMP EACH TIME).
3. Using just the leaf vein stamp and Soft Sea Foam stamp pad, stamp one leaf vein in one direction and another in the opposite as shown above. No need to stamp off for this step.
4. Stamp the Happy Birthday from the Special Moments stamp set just under the dashes on card front using the Balmy Blue stamp pad. Again, no need to stamp this off. Attach this to the Balmy Blue 5-1/4” x 4” card stock and attach to card front.
5. Cut out a flower and the flower center from Basic White scraps using the dies from the Botanical Builder Dies set. Using the sponge dauber and the Daffodil Delight stamp pad, sponge the center of the flower center you just punched out. Attach to the center of the flower using a Mini Glue Dot. Using a dimensional attach the flower to the card front as shown above. Attach a Daffodil Delight dot to the center of the flower.
6. Stamp 3 small leaves from the Botanical Blooms stamp set using the Soft Sea Foam stamp pad. Stamp off for each leaf as you did in step 2 with the dashes. Cut out using the coordinating die from the Botanical Builder Dies set. Attach the leaves using Mini Glue Dots as shown above.
7. Stamp verse of choice to the Basic White 5-1/8” x 3-7/8” card stock using the Balmy Blue stamp pad. No need to stamp off. Attach to Balmy Blue 5-1/4” x 4” card stock and attach to inside of card, you’re now done!!
