Instructions:

1. Score and fold Basic White Thick 11” x 4-1/4” card stock at 5-1/2” to form card size of 5-1/2” x 4-1/4”.
2. Attach Glorious Gingham 5-1/8” x 3-7/8” DSP to the Sweet Sorbet 5-1/2” x 4” card stock. Attach to card front.
3. Stamp verse from the Softly Sophisticated stamp set onto the Basic White 4-5/8” x 3-3/8” card stock using the Memento stamp pad as shown above. Then, using the leaf die from the Watercolor Melon stamp set and the Lemon Lime Twist and Garden Green stamp pads, stamp leaves down the left side of the card stock. First, with leaves pointing down, stamp off the Garden Green ink once until you’ve gone from top to bottom. Next, stamp the leaf pointing up using the Lemon Lime Twist stamp pad. Next, emboss this piece using the Softly Sophisticated Embossing Folder. Attach to the Sweet Sorbet 4-3/4” x 3-1/2” card stock. Then attach a piece of Linen Thread around this piece and tie a bow toward the right of the card. Attach assembled piece to front of card using dimensionals.
4. Stamp the whole watermelon onto a Basic White scrap using the Garden Green stamp pad. Next, stamp the watermelon again over the first one you just stamped using the Lemon Lime Twist to give it a little more dimension. Using the Modern Oval Punch, punch out the watermelon. Stamp the watermelon rinds using the Garden Green stamp pad onto another Basic White scrap. Stamp the watermelon pulp using the Sweet Sorbet stamp pad. Then stamp the seeds using the Memento stamp pad, stamping off once for each time you stamp the seeds.
5. Attach the ¼ piece of watermelon to the approximately the center left of the card front using liquid glue. Then attach the whole watermelon using dimensionals. Next, attach the ½ slice of watermelon using a combination of liquid glue and a dimensional.
6. Randomly attach Tinsel Gems to the card front.
7. Stamp leaves to the Basic White 5-1/8” x 3-7/8” card stock as you did on card front. Then stamp verse from the Softly Sophisticated stamp set using the Memento stamp pad. Attach to the Sweet Sorbet 5-1/4” x 4” card stock and attach to inside of card and you are now done!!
