Instructions:

1. Score & fold the Basic White Thick 5-1/2” x 8-1/2” card stock at 4-1/4” to form card size of 5-1/2” x 4-1/4”.
2. Attach the Countryside Inn 5-1/4” x 4” DSP to card front and inside of card.
3. Emboss one Basic White 5” x 3-3/4” card stock using the Timeworn Type 3D Embossing Folder. Attach a length of the Baker’s Twine about 3/4 of the way down the embossed card stock. Tie a bow in a piece of the Baker’s Twine and attach to the twine on card front using a Mini Glue Dot. Attach this piece to card front.
4. Using the small circle tree limb die from the Encircled in Nature dies set, cut out center of the Basic White 3-5/8” x 3-5/8” card stock. Set aside until Step 5.
5. With the flower circle die from the Encircled in Nature dies set, cut out a scrap piece of Misty Moonlight card stock. Also from the Misty Moonlight scrap, cut out the two tree dies. Using liquid glue, attach the flower circle to the cutout area of the Basic White 3-5/8” x 3-5/8” card stock. Lay in place of card front, don’t adhere yet. Lay the larger trees where you want them under the circle and mark with a pencil. Using liquid glue attach the larger trees under the circle. Using dimensionals, attach the 3-5/8” x 3-5/8” to the top part of card front.
6. Stamp verse of choice from the Dainty Delight stamp set onto a piece of Basic White scrap using the Misty Moonlight stamp pad. Cut out using the ticket die from the Perennial Postage Dies set. Attach to card front as shown above using dimensionals.
7. Attach a few Adhesive-Backed Adhesive Gems to card front.
8. Stamp verse from the Encircle in Nature stamp set onto the 2nd Basic White 5” x 3-3/4” card stock using the Misty Moonlight stamp pad. Attach to inside of card and you are now done!!
