### Instructions:

1. Score and fold Night of Navy 11" x 4-1/4" at 5-1/2".
2. Attach two Gray Granite 5-1/4" x 4" card stock pieces one to card front and one inside of card.
3. Attach Country Woods 5-1/8" x 3-7/8" DSP to card front.
4. Attach the two Night of Navy 2-5/8" x 2-5/8" card stock pieces to form an 8 sided "star" as shown above.
5. Attach one of the Country Woods 1-1/4" x 1-1/4" DSP pieces to a corner on your "star" from step 4. Only place a little glue in the upper left side for this piece ensuring you leave a little Night of Navy showing. Next, attach the remainder of the squares using glue over the whole square and attach to the "star" rotating to the right of your first square ensuring a little of the Night of Navy on each is showing. Once you get to the last square, gently pull up the first square to place the last square underneath. Then finish attaching the first piece by adding some glue underneath. Your pinwheel is complete. Attach to card front using dimensionals.
6. Stamp the bucket from the Country Flowers stamp set using the Memento stamp pad. Color in using the Basic Gray stamp pad and the Water Painter by stamping the pad onto a clear acrylic block. Then stamp the verse from the same stamp set using the Basic Gray stamp pad. Using the coordinating die from the Country Flowers Dies set and Stampin Cut & Emboss Machine punch out the bucket. Using dimensionals attach bucket just under the pinwheel to the right of the card. Next, stamp flowers of choice from this stamp set onto a Basic White scrap using the Memento stamp pad. Color in using the above listed Blenders Pens or colors of your choice. Using the coordinating die from the Country Flowers Dies set, cut out the flowers. Attach over the bucket and onto the pinwheel using liquid glue. Tie a bow from the white 1/4" Diagonal ribbon and attach under the flowers using mini glue dots.
7. Using the small scallop rectangle die from the Unbounded Love Dies, punch out a Night of Navy scrap. Then stamp the hello from the Unbounded Love stamp set using Night of Navy stamp pad onto a Basic White scrap. Punch out using the small rectangle die from the same dies set. Attach to the Night of Navy. Then attach to card front using dimensionals.
8. Randomly attach Opal Rounds to card front.
9. Attach the Basic White 5-1/8" x 3-7/8" card stock to the Basic Gray on inside of card. Then attach the Countryside Inn 3-7/8" x 3/4" DSP to the bottom of the Basic White. You are now done!!
