Light & Dark Old Olive
Light & Dark Lemon Lime Twist
Light & Dark Daffodil Delight
Dark Pebbled Path
Dark Crumb Cake
Dark Lost Lagoon
Pecan Pie Stampin’ Write Marker

Instructions:

1. Score and fold Copper Clay 5-1/2” x 8-1/2” at 4-1/4”.
2. Attach one Very Vanilla to the card front and the second one to the inside of the card.
3. Using the Stampin’ Cut & Emboss Machine and the 2-1/2” circle from the Deckled Circle Dies set, cut a hole in the upper portion of the Tartan Foil 5-1/2” x 3-7/8” DSP, slightly toward the right side.
4. Using the 2-1/2” and 2-3/4” circles from the Deckled Circles Dies set, punch out the Copper Clay 3-1/4” x 3-1/4” card stock. Attach to the circle from Step 3 using liquid glue. Attach to card front.
5. Stamp the flowers, acorn branch, pears, two acorns, and a leaf from the Fruitful Blessings stamp set onto Very Vanilla scraps using the Memento stamp pad. Using the above listed Blender Pens and marker, color all the images in. Then using the coordinating dies from the Fruitful Blessings Dies set, punch each one out. Arrange around the circle on card front glueing each piece on except the pears. Using a bone folder, tap the Dark Pebbled Path Blender Pen over the pears. This will give you the look of texture on the pears. Then attach the pears using dimensionals.
6. Next, attach 2023-2025 In Color Dots to front of the card.
7. Attach the Tartan Foil 5-1/8” x 3/4” DSP to inside of card. If desired, stamp and color a couple of acorns to inside. You are now done!!
