Instructions:

1. Score & fold Early Espresso 5-1/2” x 8-1/2” card stock at 4-1/4”.
2. Attach one Basic Beige 5-1/4” x 4” to card front and one to inside of card.
3. Using the Tasteful Textile embossing folder and Stampin’ Cut & Emboss Machine, emboss the Basic White 3-1/4” x 3-1/4” card stock. Attach to the Early Espresso 5-1/2” x 5-1/2” card stock. Then attach to the Basic Beige 3-5/8” x 3-5/8” card stock. Attach a length of the Basic Beige ribbon as shown above. Attach this piece to card front as shown above using dimensionals. Tie another length of the Basic Beige ribbon to the ribbon on card front.
4. Using the Happy Birthday from the Loveliest Tree stamp set and Early Espresso stamp pad, stamp verse evenly under the square on card front. Normally I do not recommend stamping after attaching to the card, but this time is an exception.
5. Attach 3 Adhesive-Backed Textured Dots under the verse on card front as shown above.
6. Using the Early Espresso stamp pad and the tree from the Loveliest Trees stamp set, stamp image onto a Basic White scrap. Color the top of the tree and grass under the tree using the Mossy Meadow marker. Cut out tree using the coordinating die from the Loveliest Trees Dies set. Attach to card front using dimensionals.
7. Emboss the Basic Beige 3-7/8” x 1” card stock using the Tasteful Textile embossing folder. Attach to the bottom of the Basic White 5-1/8” x 3-7/8” card stock. Stamp verse of choice from the So Sincere stamp set using the Early Espresso stamp pad. Attach this to the Basic Beige inside of card and you are now done!!
