Instructions:

1. Score and fold the Pretty Peacock 4-1/4” x 11” card stock at 5-1/2”.
2. Using the Distressed Tile 3D Embossing Folder and Stampin’ Cut & Emboss Machine, emboss the Pretty Peacock 5-1/8” x 3-7/8” card stock. Attach to one of the Basic White 5-1/4” x 4” card stocks. Then attach a length of the 3/4” Basic White ribbon to the left side about an inch in. Attach to card front.
3. Using the leaf dies from the Autumn Leaves Die set cut 2 large leaves and 2 of the smaller leaves from the Dry Brushed DSP scraps. Once you’ve cut these out, cut out the coordinating leaf veins from the Pretty Peacock scraps. Attach to the appropriate leaf using liquid glue.
4. Cut some lengths from the Gold 1/8” Trim and attach to the backs of the leaves. Once you’ve done this, attach to the card front over the Basic White ribbon as shown above.
5. Stamp the verse from the Autumn Leaves stamp set using VersaMark onto the Basic White scrap. Then heat emboss using the Gold Embossing Powder. Cut out using the label die from the Autumn Leaves Dies set. Attach to card front using dimensionals.
6. Attach 3 of the Pretty Peacock Gems onto the label and randomly attach the Petal Pink gems to the base of the card around the leaves.
7. Attach the Dry Brushed 1/2” x 5-1/4” DSP to the left side of the 2nd Basic White 5-1/4” x 4” card stock. Attach to inside of card and you are now done!!
