 Gold Embossing Powder

Supplies/Accessories:

Stylish Shapes Dies
 Alphabet A La Mode Dies
 Gold Simply Elegant Trim
 Petal Pink & Pretty Peacock Foiled Gems
 Stampin' Dimensionals
 Heat Tool
 Stampin' Cut & Emboss Machine

Instructions:

1. Score and fold Basic White Thick 8-3/4" x 7-1/2" card stock at 3-3/4".
2. Attach Gold Foil 8-1/2" x 3-1/2" sheets to front and inside of card.
3. Cut the two Regal Distressed 8-3/8" x 3-3/8" Patterns in half length-wise (1-11/16"). Then turn to the long side and cut both at 4-3/8". These are purposely different sized. Attach to card front as shown above using regular adhesive.
4. Attach a few coils of the Gold Trim to the bottom left corner of the first section on card front as shown above.
5. Stamp a verse onto Basic White 2-1/4" x 2-1/4" card stock from the Sunny Sentiments stamp set using VersaMark. Then heat emboss using Gold Embossing Powder. Cut this out using the 3rd square from the Stylish Shapes Dies set. Attach to the Pretty Peacock 2-1/8" x 2-1/8". Next, cut out the Gold Foil 2-1/2" x 2-1/2" using the 2nd square from the same dies set. Attach to the first two pieces. Attach to card front using dimensionals.
6. Attach a piece of the Adhesive Sheets scrap to the Gold Foil scrap. Then using the Alphabet A La Mode dies cut out the age you'd like. Attach to the bottom right section of card front as shown above.
7. Randomly attach the Pretty Peacock Foiled Gems to card front.
8. Stamp verse from the Throughout the Year stamp set onto the Basic White 4-3/4" x 3-3/8" card stock using VersaMark. Then heat emboss using Gold Embossing Powder. Attach to top part of inside of card over Gold Foil.
9. Attach the two Regal Distressed 1-11/16" x 4-3/8" to the bottom of the Basic White. If desired, attach a piece of Gold Foil (3-3/8" x 1/8") over the seam using liquid glue.
