Instructions:

1. Score and fold Basic White Thick 5-3/4" x 7-1/2" card stock at 3-3/4".
2. Attach the Gold Foil 8-1/2" x 3-1/2" sheets to the inside and front of the card base.
3. Using the Country Floral Dynamic Embossing Folder and Stampin' Cut & Emboss Machine, emboss the Basic White 8-3/8" x 3-3/8" card stock. You'll need to run this through twice. Attach to card front.
4. Using the Meadow Dies set, cut out a couple stems from the Gold Foil scraps and one butterfly. Attach the stems to the card front using liquid glue. Then using mini dimensionals, attach the butterfly.
5. Attach the Most Adored 1-3/4" x 3-3/8" DSP to the Gold Foil 1-7/8" x 3-3/8" sheet. Next, attach a length of Gold 1/8" Trim around the left side of this piece, criss-crossing in the front. Attach to the card front over the base of the stems you've already attached in step 4.
6. Attach a piece of the Adhesive Sheets scrap to a piece of the Gold Foil scrap and cut out the age using the Alphabet A La Mode dies set. Attach to the right side of the piece you attached to card front in step 5.
7. Using the label die from the Meadow Dies set, cut out from a Gold Foil scrap. Next, stamp Happy Birthday from the Go To Greetings stamp set using VersaMark onto a Basic White scrap. Heat emboss using the Gold embossing powder. Trim the label to fit onto the Gold Foil label. Attach this to the card front using dimensionals as shown above.
8. Tie a triple bow from another length of the Gold 1/8" Trim and attach over the trim on card front using Mini Glue Dots.
9. Randomly attach some Iridescent Foil Gems to card front.
10. Stamp verse from Blooming with Kindness stamp set onto the Basic White 5-1/2" x 3-3/8" card stock using VersaMark. Heat emboss with Gold Embossing Powder. Attach to inside of card.
11. Attach the Most Adored 3-3/8" x 2-3/4" DSP just under the Basic White. Then attach some Brass Butterflies. You are done!!
