Pencil

### **Instructions:**

1. Score and fold the Pecan Pie 5-1/2” x 8-1/2” card stock at 4-1/4”.
2. Using the smallest tree limb circle from the Encircled in Nature Dies set and Stampin’ Cut & Emboss Machine, cut a hole in the Basic Beige 5-1/8” x 3-7/8” card stock. Then using the Tasteful Textile 3D Embossing Folder, emboss this piece.
3. Lay the Basic Beige over the Basic White 5-1/4” x 4” card stock. With the pencil, lightly draw a line on the left side of the opening you cut in step 2. Using the half circle of trees stamp from the Encircle in Nature stamp set and the Early Espresso stamp pad, remove the Basic Beige and stamp the trees right on the line you drew on the Basic White. Now you’ll attach the Basic Beige to the Basic White and attach a piece of the 1/2” ribbon just under the circle and attach to card front. Once you’ve done that, stamp verse from the Thoughtful Expressions stamp set using the Pecan Pie stamp pad in the circle as shown above.
4. Using the large and small tree limb circles from the Encircled in Nature dies set, line them up with the tabs on the Pecan Pie scrap then cut out. Using liquid glue attach to the opening on card front lining up the edges.
5. Using the leaf die from the Encircled in Nature Dies set, cut out each of the 5 colors listed above. You’ll have 2 sets of leaves from each color. You’ll use only one and can save the other set for another project. Using liquid glue, attach the leaves starting with the top of the circle and working back toward the bottom of circle.
6. Tie another length of the ribbon onto the ribbon on card front. You can tie a bow or a knot.
7. Randomly attach the Iridescent Foil Gems to card front.
8. Stamp verse from the Thoughtful Expression stamp set using the Pecan Pie stamp pad onto the Basic White 5-1/8” x 3-7/8” card stock. Attach to the Basic Beige 5-1/4” x 4” card stock then attach inside of card. You’re done!!
