3. On the outside, attach the Winter Meadow 5-1/4” x 2” DSP to the front fold on outside of card.
4. Stamp the words Good Tidings onto the Winter Meadow 5-1/4” x 1/2” DSP using VersaMark and heat emboss using the White Embossing Powder. Attach along the top of the fold of the fold as shown above.
5. Cut out the Blueberry Bushel 4-1/2” x 3” card stock using the Stampin’ Cut & Emboss Machine and the 3rd largest die from the Countryside Corners Dies set. Using the paper trimmer, score the top of the piece you just cut out from corner to corner and fold. Attach a piece of Tear & Tape Adhesive to the back of the fold and attach to the top right edge of the card to form a flap as show above.
6. Using the largest square die from the Peaceful Season Dies set, cut out a Basic White scrap. Using dimensionals, attach to the front of the Blueberry Bushel flap.
7. Stamp the wreath from the Sophisticated Sled stamp set onto another Basic White scrap using the Memento stamp pad. Color the wreath in using the above listed blender pens or colors of your choice. Cut out using the coordinating die from the Sophisticated Sled Dies set. Attach to card front using dimensionals. Randomly attach Rhinestone Basic Jewels to the wreath.
8. Tie a bow from the Silver & White 1/2” Sheer Ribbon and attach to the bottom of the wreath using glue dots. You are now done!!
