### **Instructions:**

1. Score and fold the Shy Shamrock 11" x 4-1/4" card stock at 5-1/2"
2. Attach the Nests of Winter 1-1/2" x 1-1/8" DSP (all 9) to the Poppy Parade 1-5/8" x 1-1/4" card stock (all 9). Evenly attach these pieces to the card front alternating the DSP as shown above.
3. Using the coordinating birds die from the Winterly Tree Tops Dies set and Stampin' Cut & Emboss Machine, cut out the birds from the Nests of Winter 3" x 4" DSP. Next, die cut, using the same die, the Shy Shamrock 3" x 4" card stock and attach to the DSP birds you just cut out using liquid glue. This will give your DSP birds a little more stability. Attach to card front using dimensionals.
4. Cut three pieces of ribbon (about 1-1/2" each). Fold one in half and using regular adhesive, attach the ends of the ribbon together and then attach behind the birds as shown above. Do this for the other two pieces of ribbon.
5. Using the large Christmas die from the Peaceful Season Dies set, cut out the Poppy Parade 1" x 4". Then attach the Adhesive Sheet 1" x 4" to the Basic White 1" x 4" card stock. Cut out using the coordinating smaller Christmas die. Remove adhesive and attach to the Poppy Parade piece. Using dimensionals, attach to card front.
6. Stamp the word Merry from the Peaceful Season stamp set onto the Basic White scrap using the Poppy Parade stamp pad. Then using paper snips or scissors of choice, trim around the word and angle cut the ends. Attach to card front using dimensionals.
7. Randomly attach Rhinestones to card front.
8. Stamp verse from the Peaceful Season onto the Basic White 5-1/8" x 3-7/8" card stock using the Memento stamp pad. Attach to the Poppy Parade 5-1/4" x 4" card stock and attach inside of card and you are now done!!
