### Instructions:

1. Score and fold the Basic White Thick 4-1/4" x 11" card stock at 5-1/2".
2. Attach the two Poppy Parade 5-1/4" x 4" card stock to front of card and inside of card.
3. Attach the Painted Christmas 5-1/8" x 3-7/8" DSP to card front.
4. Using the swirly circle from the Painted Label Dies set and Stampin' Cut & Emboss Machine, cut out the 3-1/2" x 3-1/2" Gold Foil. Attach to upper part of card front using regular adhesive.
5. Stamp the holly looking leaves (cut 2) from the Painted Poppies stamp set onto a Basic White scrap using the Memento stamp pad. Color in using the Old Olive Blenders Pens. Fussy cut out using paper snips. Set aside.
6. Using the pine bough dies from the Beautiful Boughs Dies set, cut out the Old Olive Scraps. I cut two small boughs and one larger bough which I cut apart. Using liquid glue attach the smaller boughs to the top of the gold circle on card front. Then attach the holly leaves from step 5 using liquid glue. Attach the last pine boughs, cutting them apart is optional, but they lay better.
7. Attach a piece of Adhesive Sheets scrap to one of the Crumb Cake and one of the Pecan Pie scraps. Then using the large detail pinecone die from the Beautiful Bough Dies set, cut these two pieces out. Next, using the pinecone outline die cut on each Crumb Cake and Pecan Pie scrap. Remove adhesive from the detailed pinecone and attach to opposite color solid pinecone pieces. Attach each to the top of the pine boughs and gold circle as shown above using dimensionals.
8. Stamp the Season's Greetings from the Peaceful Boughs stamp set onto the Poppy Parade scrap using VersaMark. Heat emboss using the Gold Embossing Powder and heat tool. Using the small label from the Beautiful Boughs Dies set, punch this out. Attach to card front using dimensionals.
9. Randomly attach Real Red Rhinestones onto card as shown above.
10. Stamp verse from the Peaceful Boughs stamp set onto the Basic White 5-1/8" x 3-7/8" card stock using the Real Red stamp pad. If desired, stamp a pine bough from the same stamp set using the Old Olive stamp pad. You are now done!!
