Instructions:

1. Score and fold the Granny Apple Green 5-1/2” x 6-3/8” at 2-1/8” on the 6-3/8” edge.
2. To the front left of the card, attach the Basic White 5-1/4” x 2” card stock.
3. Attach the Penguin Playmates 5-1/8” x 1-7/8” DSP to the left front of card ensuring the top/bottom and left side are evenly spaced. You won’t see the right side so ensure the top, bottom and folded edge, are all evenly spaced.
4. Using the 3rd square down from the Stylish Shapes Dies set, cut out the two Basic White 2-1/2” x 2-1/2” pieces of card stock. Attach the Penguin Playmates 1-3/4” x 1-3/4” DSP pieces to these two squares. Attach one square, corner sides up and down, to the opening edge. Then do the same for the 2nd 1-3/4” x 1-3/4” square to the bottom in the same way.
5. Die cut the Basic White 2-3/4” x 2-3/4” using the 2nd square down from the Stylish Shapes Dies set. Then attach the Penguin Playmates 2-1/8” x 2-1/8” DSP to this square. Next, attach to card front over the first two squares using dimensionals as shown above.
6. From the Penguin Playmates DSP scraps, fussy cut the characters of your choice. Attach one character onto the center square using liquid glue. Then attach the 2nd character using dimensionals.
7. Stamp verse from the Gift Wrapped stamp set onto a Basic White scrap using the Granny Apple Green stamp pad. Cut out using the “ticket die” from the Perennial Postage Dies set. Then attach to top left of the card front using dimensionals.
8. Randomly attach Iridescent Discs to card.
9. Dry fit the Penguin Playmates 5-1/8” x 1-7/8” DSP to the right side of the Basic White 5-1/4” x 4” card stock, then stamp a verse from the Gift Wrapped stamp set to the left of the DSP using the Fresh Freesia stamp pad. Then attach the 5-1/8” x 1-7/8” DSP to the right side of the Basic White and attach the assembled piece to the inside of the card. You are now done!!
