Instructions:

- Score and fold the Gorgeous Grape 4-1/4” x 11” card stock at 5-1/2”.
- Attach the Basic Black 5-1/8” x 3-7/8” to card front.
- Cut the drips, bubbles and liquid in jars using the Potions & Spells Dies set from the very center of the Highland Heather Three Color Glimmer 4-3/4” x 3-1/2” Paper. Set those aside and attach the remainder of the glimmer paper to the card front.
- Using the Exposed Brick 3D Embossing Folder, emboss the Basic White 4-5/8” x 3-3/8” card stock. Attach to card front over the glimmer paper.
- Using the VersaMark stamp pad, stamp cauldron image from the Potions & Spells stamp set onto a Basic Gray Scrap, then heat emboss using the Basic Black Embossing Powder. Set aside until next step.
- Stamp the bubbles from the Potions & Spells stamp set onto a Basic White scrap using the Memento stamp pad. Color in using the Light & Dark Highland Heather Blender Pens and the Daffodil Delight marker. Fussy cut the bubbles out, but leave a bit of card stock under the bubbles. Add some liquid glue to the excess card stock and attach to the back of the cauldron from step 5. Attach to card front using dimensionals. Once you’ve done that, attach the glimmer bubbles and drips to the cauldron and around the bubbles you colored as shown above.
- Stamp the black bird onto a Basic White scrap. Color in using the Basic Gray, Pumpkin Pie and Daffodil Delight markers. Cut out using the coordinating die from the Potions & Spells Dies set. Attach to the edge of the cauldron on card front.
- Stamp verse from the Potions & Spells stamp set onto a Basic White scrap using the Memento stamp pad. Cut out using the 3rd largest label die from the Stylish Shapes Dies set. Attach to top of card using dimensionals as shown above.
- Cut out the two bottles using the dies from the Potions & Dies set. I cut the tops of the bottles from the Crumb Cake scraps and attached to the top of the bottles using liquid glue. Then attach the coordinating glimmer “liquid” to each bottle. I wrote 3 X’s on each bottle using the Basic Black marker, but this is optional. Then attach to the bottom right of the cauldron using a combo of liquid glue and dimensionals.
- Randomly attach the Shimmer Gems on the card front.
- Attach Basic Black 5-1/8” x 3-7/8” card stock to inside of card.
- Stamp books image from the Potions & Spells stamp set onto the Basic White 5” x 3-3/4” card front and color in using the above listed markers or other colors of choice. Stamp verse from the same stamp set onto this piece then attach to inside of card and you are now done!!
