Instructions:

1. Score and fold the Cajun Craze 7-1/2” x 5-1/2” card stock at 3-1/4”.
2. Attach the Naturally Gilded 5-3/8” x 3-1/8” DSP to the front left of the card.
3. Cut the Cajun Craze 4-1/2” x 2-1/2” using the largest rectangle die from the Nested Essentials Dies set and Stampin’ Cut & Emboss Machine. Score on one end of this piece at approximately 1/2”. Fold and attach to the right of the inside of the card using the Tear & Tape Adhesive. Next, cut out the 2nd largest rectangle from the Basic White 4-1/4” x 2-1/4”. Emboss this piece using the Cane Weave 3D Embossing Folder. Attach to the Cajun Craze you just attached to inside of card and trim off the excess on the right of the label.
4. Attach the Dry Brushed Metallic 1” x 5-3/8” DSP to the right side of the Basic White 5-3/8” x 4-1/8”. Then attach to inside of card which will cover the folded end of the label.
5. Cut out the crate using the Rustic Crate Dies set from the Crumb Cake scrap. Fold and attach together using liquid glue. Next cut out the trim pieces using the Early Espresso Scrap and attach to the crate using liquid glue. Then cut out the “hello” from the Cajun Craze scrap and attach to crate using liquid glue. Set aside until the next step is completed.
6. Stamp the corn/flower/pumpkin image onto a Basic White scrap using the Memento stamp pad. Color in using the above listed Blender Pens or other colors of your choice. Cut out using the coordinating die from the Rustic Crate Dies set. Using liquid glue, put a little on the lower part of this piece and slide into crate from step 5. Once you’ve done this attach to the label on card front using dimensionals.
7. Tie a double bow in the Natural Tones Linen Thread and attach to side of crate using Mini Glue Dots.
8. Attach a couple Metallic Gems to the right of the crate and you are now done!!
