Supplies/Accessories:

Heart Shaped Dies
Heart of Elegance Dies (SAB)
Starstruck Embossing Folder
Gold 1/8” Trim
Low Profile Dots
Stampin’ Dimensionals
Multipurpose Liquid Glue
Stampin’ Cut & Emboss Machine

Instructions:

1. Score and fold the Real Red 5-1/2” x 8-1/2” card stock on the 8-1/2” side at 4-1/4”.
2. Attach the Marbled Elegance 5-1/8” x 3-7/8” DSP to the Basic White 5-1/4” x 4” card stock. Tie a length of the Gold Trim around the center of the card then attach to the card front.
3. Cut out the 3rd largest heart from the Heart Shaped Dies set from the Basic White 3-1/4” x 3-1/2” card stock. Emboss using the Starstruck Embossing Folder. Set aside until the following step.
4. Using the heart from the Heart Shaped Dies set cut out the Real Red scrap. Then using the same die cut out a Gold Foil scrap. Using little dabs of the liquid glue attach the two hearts together, offsetting them. Then attach to the embossed heart from Step 3 with liquid glue. Using dimensionals attach to card front over the Gold Trim.
5. Stamp the three flowers from the Heart Shaped stamp set onto a Basic White scrap using the Melon Mambo stamp pad. Cut them out using the coordinating die from the Heart Shaped Dies set. Attach to the heart wreath on card front using liquid glue.
6. Using the leaf stems from the Heart Shaped Dies set, cut out two from a Gold Foil scrap. Attach under the flowers using liquid glue as shown above.
7. With another length of the Gold Trim, tie a bow onto the trim on card front to the left of the heart.
8. Attach the Dots to the flowers and on card front as desired.
9. Stamp verse from the Hearts of Elegance stamp set onto the 2nd Basic White 5-1/4” x 4” card stock using the Real Red stamp pad. Attach the Marbled Elegance 5-1/4” x 3/4” DSP to the bottom and attach all to the inside of the card and you are now done!!
